CLUB RULES

- All members (and any guests) must sign in and out in the log book below the light meter every time they attend.
- Members are expected to behave respectfully and with consideration to other members, users of the jubilee room below and the hall's neighbours, particularly the flat tenant(s).
- There is a strict NO SMOKING policy throughout Lazonby Village Hall but club members are permitted to vape in the snooker room provided other users don't object.
- Members may bring refreshments into the snooker room including cold snacks and soft or alcoholic drinks (not spirits) for personal use. Hot food is not permitted in the snooker room. ALL rubbish generated must be removed for disposal.
- If other members are waiting to play, each table has a maximum 30 minutes or one pool game playing time limit. Members should ensure fair turn taking and not 'hog' or reserve any table.

GENERAL INFORMATION

Tea, coffee and powdered milk are provided for members' use. There is also a fridge if members wish to bring fresh milk or cold drinks - please take these away again when you leave.

Heating may be turned up if desired by adjusting one of the radiator thermostats. Adjusting one will alter all the radiators in the room. Please turn the heating back down again when finished but do not turn to OFF.

Your consideration of the oil bill when choosing temperature is appreciated!

Recycling bins are provided for your convenience. If you notice that these are full, please either let a sub-committee member know or take them to the recycling centre at Eden Bridge.

Members use the club at their own risk and no liability is accepted by either Lazonby Village Hall management committee or the snooker club sub-committee for any injury sustained and/or loss or damage to personal property while using the snooker room.

Tables may be reserved by the committee at their discretion. A minimum of 1 month's notice of any reservation will be given.
